Dear Samantha,

Hello, and I hope you're well! The voice actor Emily Zeller is scheduled on Friday to record my story, "The Kindest," and recently checked in with me for tonal and pronunciation direction.

I have a quick question: since first submitting this story to Audible.com I've made slight revisions on the level of language-- mostly to ease the rhythm and tone. The new version is attached; is it possible that Emily could read this version instead? She has happily agreed to do so, but says that I should check in with you first. I do think that this version will sound MUCH better.

Please let me know, and thank you!  
Sonya
